Announcements

Minnesota Applied Economist

The Summer 2016 edition of the Minnesota Applied Economist is now available online. Features include, "The Economics of Childcare," by Liz Davis, student and donor highlights, the Ruttan Lecture and more! The online version is available [here](#). If you would like to receive the printed copy, please email [Sadie Brendalen](mailto:Sadie.Brendalen@umn.edu) to be added to the mailing list.

Volunteers Needed

For the first time ever, Applied Economics and Agricultural Education will have their own booth to represent the departments at the 2016 Minnesota State Fair! We are looking for volunteers to help us fill a few spots on September 2nd, from 9:00 a.m.-9:00 p.m. Each shift is three hours and all volunteers will receive free admission to the fair as well as a CFANS t-shirt! Join us as we interact with our fellow Gophers and friends at the Great Minnesota Get Together. [Volunteers sign up here!](#) For questions or more information, please contact [Sadie](mailto:Sadie.Brendalen@umn.edu).

Jobs

Senior Cross-Commodity Economist

ERS is seeking a Senior Cross-Commodity Economist in applied research and market outlook for specialty crops. The candidate should be able to use their knowledge of economics and quantitative skills to conduct market analysis and research on the economic conditions and other factors that are fundamentally changing specialty crop markets, both domestically and internationally. [More information available online](#). For questions contact [Suzanne Thornsbery](mailto:Suzanne.Thornsbery@umn.edu), Chief, Crops Branch, Market and Trade Economics Division, ERS.

Post-Doctoral Researcher

Ashoka Trust for Research in Ecology and the Environment (ATREE) is recruiting a post-doctoral researcher to work as part of a team investigating the implications of a shift to a green economy in India. The position will be linked to the project, "Greenmentality: A Political Ecology of the Green Economy in the Global South." This project will examine governmentalities and their reactions 'from below' in ecotourism, carbon forestry, and climate-smart agriculture. To apply, please email [Nitin Rai](mailto:Nitin.Rai@atree.org) with the following: CV, cover letter detailing research interests and reasons for applying, copies of relevant publications, and the names and contact information of three referees.

Lecturer

The University of Washington-Tacoma's Division of Politics, Philosophy and Public Affairs

is hiring a new, full-time, lecturer in Economics for the 2016-2017 academic year to teach lower and upper division courses in economics. The person filling this one-year position will teach seven classes per year. To apply for [this position](#), send a CV and teaching interests to [Katie Baird](#).

Multiple Positions at the EPA

There are multiple upcoming positions in the EPA's Clean Air Markets Division: [Power sector modeler](#); [power systems engineer](#); [air pollution control engineer](#) and [environmental policy analyst](#). If interested in any of these positions, please contact [Jeb Stenhouse](#).
