Announcements

REMINDER: RSVP for the annual luncheon!
The annual Applied Economics and Agricultural Education and Communication luncheon will take place on Wednesday, December 5 from 11:30a.m.-1:00 p.m. in the Northstar Ballroom. See the whole menu on our website.

Jobs

Assistant/Associate Professor
Boise State University is currently seeking a tenure-track Assistant/Associate professor in the Department of Economics. Preferred qualifications include professional experience in the area of economics, ability and experience teaching and doing research across disciplines, and the ability to work across disciplines and secure funding. Full description and more information are available online.

Fellowships
The School of Marine Science and Policy at the University of Delaware has several Fellowships and RAs available for Fall 2019. These are focused on environmental and resource economics with an emphasis on marine resources. Students in SMSP design a curriculum around courses in economics, law, decision analysis and marine sciences. Individuals with an interest in economics, data analysis, statistics, applied mathematics and/or physical sciences are encouraged to apply. Read more about this program and apply online.
